Dear Parent / Guardian

**RE: End of another year**

As the last of our students finish school for the summer I would like to take this opportunity to thank you for all your support throughout the year. The school year 2020-21 was not without its challenges but at all times we strived to provide for the varying needs of all our students.

As a priority we kept our students and staff safe from the Covid 19 virus and it is a credit to you and all the school community that we managed to do so. Our young people are some of the real unsung heroes to have faced such adversity in their early development years. Unfortunately we were unable to celebrate the end of the school year as we usually would with outings or parties but we do plan to make up for it next year when it is safe to do so.

Over the next few weeks we will be planning and preparing for our return in August and we will be in contact with all the relevant information through VSware mail. If you still haven't downloaded the vsware app on a smartphone or other tablet you might take a few minutes to do so over the next few weeks.

***School reports will be issued online only this summer*** and should be available by the middle of June.

While we look forward to next year with optimism many of the systems and protocols introduced this year because of the Covid 19 Pandemic will remain in place for now. These will all be reviewed in August as we return.

We would like to take this opportunity to wish our leaving cert class of 2021 the very best of luck in their exams and future endeavors, you will be missed around the halls of Scoil Ruáin.

Wishing you all a bright and safe summer

---

James Williams
