

# NEW SCHOOL CANTEEN

# WELCOME

We are very excited to welcome all existing a perspective students to the new school canteen where you will experience a warm and friendly welcome from the schools catering team. Each day you will be able to enjoy a varied selection of delicious hot and cold food at breakfast, small break, lunch and afterschool.

A range of free options will be available for you to choose from at breakfast and small break and hot lunches at big break will be subsidised. Free snack options will be available throughout the day too

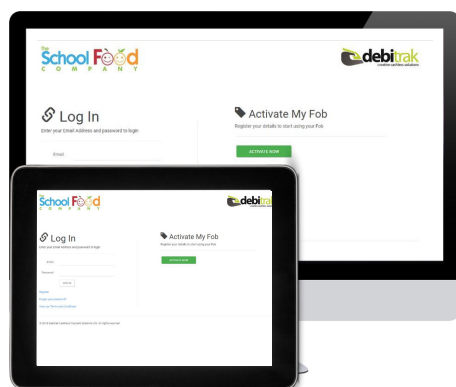

We have included some of the options available to you overleaf and we are certain that you will find something that will appeal to your taste-buds.

## CASHLESS

The canteen will be operating a cashless payment service as well as cash and all students will receive an RFID card that can be topped up online.

Cashless payments are a simple way to pay for your child's school lunch each day.

**Further information on getting set up will be sent to you over the summer.**
