Comeragh College has launched a new parent App for VSware which means that communication between school and home is easier than ever.

We would like to communicate with parents and guardians as much as possible without incurring too much expense. We are trying to reduce the amount of paper exchange between home and school and text messages through standard messaging system which is very expensive currently.

The new Parent App for VSware means you access information easily. You can also see all reports in one place.

Check out the link below which takes you through some of the new material in the app.

Using the “Timetable” tab on the lefthand side of the screen, you will be able to view your child’s subjects, rooms and teachers’ names. A red line appears across the page showing the current time.

Exam Results / Term Reports

Using the “Term Report” you can view exam results. You can select the exam set you are interested in from the drop down menu. Please note the letter after the grade denotes the level your child is taking.

- A is Ardleibhéal (Higher Level)
- G is Gnáthleibhéal (Ordinary Level) • B is Bonnleibhéal (Foundation Level) • X is for Common Level

Changing to a Different Sibling

You can view all your children’s details under the same login. To switch between profiles click the arrow as indicated in the screen shot below.

Signing Out

It is advisable to sign out of VS Ware when you are finished, to do this click the sign out icon on the top right of the screen.

General Notes

- It is not advisable to set your device to remember your password for security reasons.
- We strongly encourage you to store your username and password in a safe place.
- If you misplace your username and password, the office will issue new details to parents/guardians.
